WELCOME TO AVO CATERING CO. THE SUSTAINABLE CORNISH CATERING COMPANY.

Congratulations on your recent engagement!

Getting married in Cornwall is a truly magical experience for any couple, no matter the venue.

We are AVO Catering Co, a growing, sustainable wedding and events company nestled in the hills between Truro and Falmouth.

We pride ourselves on our locally-sourced, seasonal ingredients and our commitment to reducing our impact on the environment.

Chef's and Co founders, Danny and Mark have a combined experience of 25 years in the food industry and have a passion for creating exciting menus for your big day.

Created with any wedding day in mind, from small and intimate ceremonies to exquisite celebrations, our menus will bring everyone together to share in your special day.

'We cannot thank you enough for being part of our special day and delivering such a high quality of food for our guests.'

A MENU DESIGNED FOR SHARING IN THE MOMENT.

We believe weddings are all about sharing, from the first moments to the final speeches.

Our menus have been designed with this sharing culture in mind.

Whether it's our Canapes, World Flavours or our Grazing Tables, we love nothing more than cooking food designed for your family and friends to enjoy together.

We have included something for everyone to enjoy but if you have a certain flavour or ingredient in mind please let us know and we would love to showcase it for you.

Our experienced team will be on hand to support you in the lead-up and throughout your special day.

BUT FIRST, CANAPÉS.

Our canapés selection is the perfect way to welcome your guests.

Enjoyed with the first drinks of the day, canapés are the perfect introduction to the flavoursome courses that will follow.

Lovingly served on our handmade wooden boards decorated with edible flowers, shoots and herbs - a touch of class and a real showstopper.

We recommend six canapés per person, this means we can provide plenty throughout the welcome drinks and will keep you and your guests topped up for the big day ahead.

A SIMPLY CORNISH WEDDING MENU.

As two born and bred Cornish chefs we are lucky enough to work with some of the finest food producers in the county, drawing our menu inspiration directly from the ingredients themselves.

Each menu starts with the fresh local produce delivered to our kitchen, where we work together to develop new seasonal menus for our events.

Our Simply Cornish menu has been designed to lay down the centre of the tables and to be shared between you and your guests.

Both our Simply Cornish and World Flavours menu have set, mezze style starters, main course and desserts. Simply pick four sides and your good to go!

Should you have any personalisations or requests just let us know and we will do the rest.
